

Setting up Power BI

Go to Microsoft Power BI home page
<https://powerbi.microsoft.com/en-us/>

The screenshot shows the Microsoft Power BI homepage. At the top, there is a navigation bar with the Microsoft logo, the text 'Power BI', and links for 'Sign in' and 'Sign up free'. A red arrow points to the 'Sign up free' link. Below the navigation bar, the main heading reads 'Business intelligence like never before'. Underneath this, a subheading states 'Go from data to insights in minutes. Any data, any way, anywhere. And all in one view.' A yellow button with the text 'START FREE >' is centered below the subheading. At the bottom of the page, there is a preview of a Power BI dashboard displayed on a laptop and a tablet. The dashboard includes an 'OVERVIEW' section with a 'Sales Report' and 'Key influencers' chart, a 'Units by Product and Sale Size' chart, and a 'Sales Amount by Brand Name' chart.

Sign up using Cooperate or Academic email

The image shows a screenshot of the Microsoft Power BI 'Get started' sign-up page. At the top left, there is a Microsoft logo followed by the text 'Microsoft | Power BI'. The main heading is 'Get started'. Below it is a text input field with the placeholder text 'Enter your work email address'. Under the input field is a 'Sign up' button with a right-pointing arrow icon. At the bottom of the page, there are two sets of line-art icons representing data visualizations: bar charts, line graphs, and a user profile icon with a checkmark.

The image shows a Microsoft Power BI login interface. At the top left, the Microsoft logo and 'Power BI' text are visible. The main content area is a white box titled 'Verify your identity'. Inside this box, there is a text input field containing the code '192222'. A red arrow points to this input field. Below the input field, the text 'Didn't get it or need a new code? Try again' is displayed. At the bottom left of the white box, there is a 'Sign up' button with a right-pointing arrow icon. The background of the slide features faint, stylized icons related to data and technology, such as bar charts, line graphs, and a person icon.
