The screenshot shows the Microsoft Azure Machine Learning Studio landing page. The header includes the Microsoft Azure Machine Learning Studio logo, a help icon, a user icon, a smiley face icon, and a 'Sign In' link. The main content area features a large video player with a play button and the text 'Quick Tour of Azure ML'. To the right of the video, the text 'Welcome to Azure Machine Learning' is displayed, followed by 'Try it for free'. Below this, a message states: 'No Azure subscription? No credit card? No problem! Choose anonymous Guest Access, or sign in with your work or school account, or a Microsoft account.' A blue 'Sign In' button with a right arrow is present. Further down, it says 'Not an Azure ML user?' with a link 'Sign up here'. At the bottom, there is a 'Pricing & FAQ' link and a disclaimer: 'By using this free version, you agree to be bound by the Microsoft Azure Website Terms of Use.'
