

Quick Insights

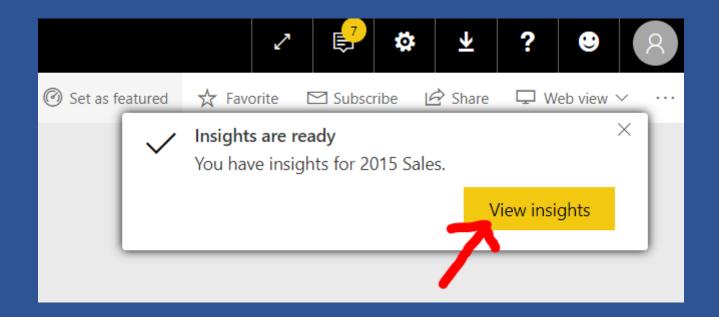

Introducing Quick Insights

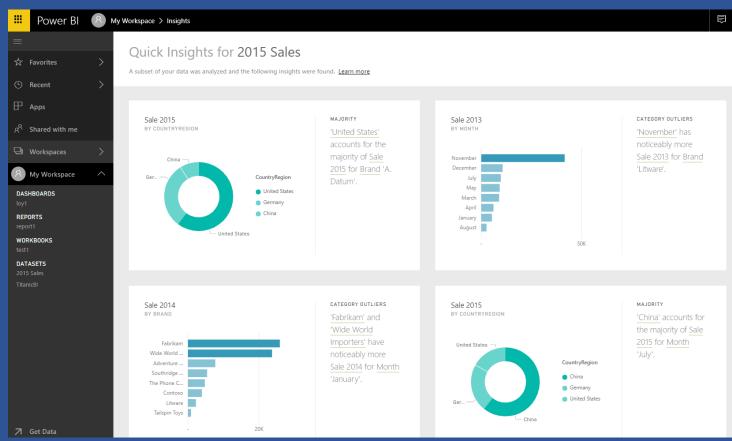

Insights are ready

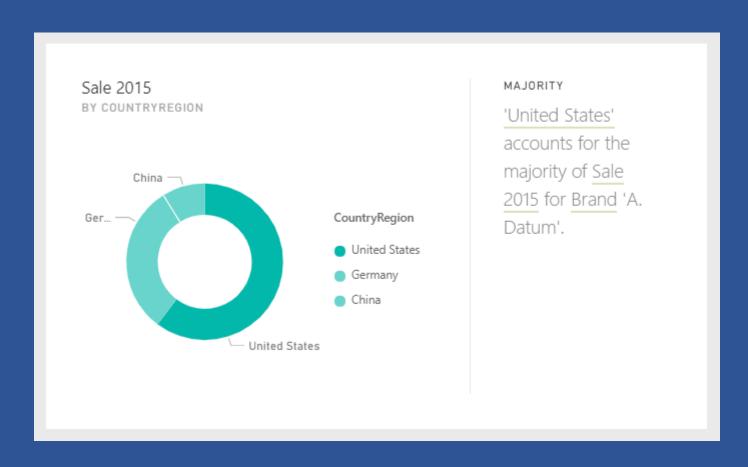

What is insight?

- Use artificial intelligence to analyze your data
- Searching for some useful or interesting patterns
- Very sophisticated algorithms

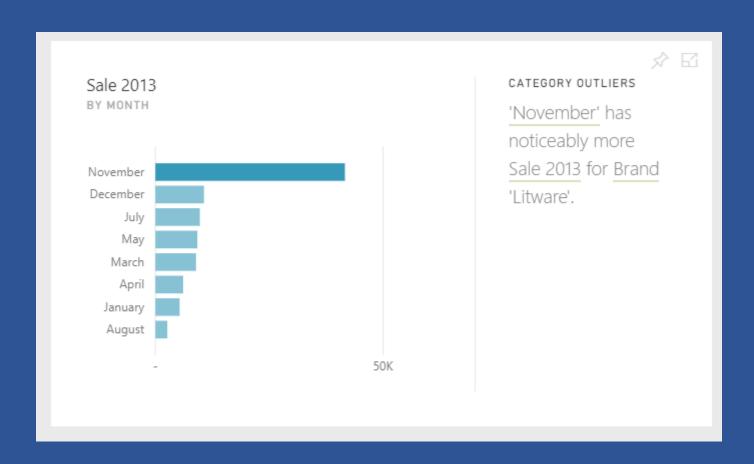

The first insight shows United States accounts for most of the sales of the A. Datum brand Compared with China and Germany

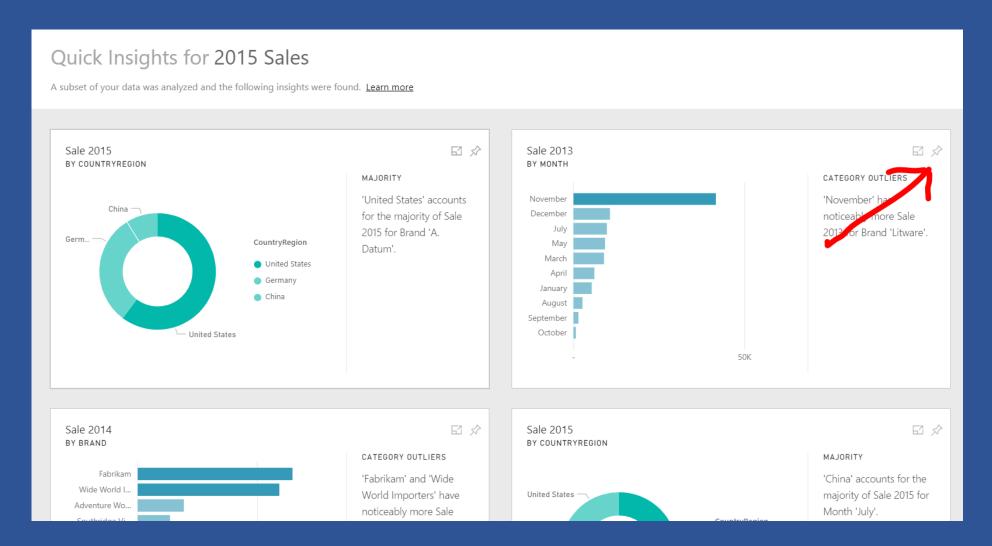

The second insight reveals a substantial seasonal-effect increase in sales for the month of November 2013 for Litware

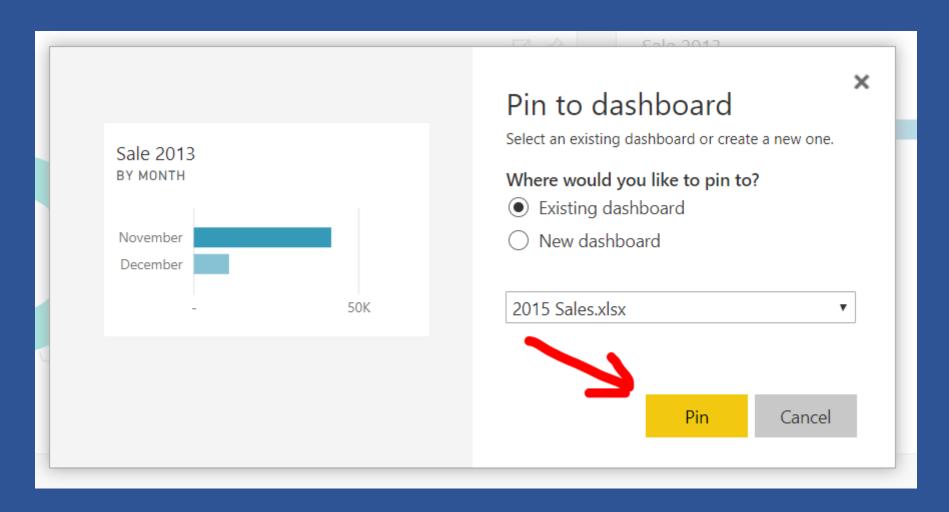

Pin Sale 2013 by month to dashboard
